Bright Meal

A brighter plate for everyone.

THE PROBLEM

2.89M

Emergency food parcels handed out by UK food banks last year

Trussel Trust, 2024/2025

1.1M TONNES

of perfectly edible food binned by UK restaurants in the same year

WRAP, 2024

SAME COUNTRY. DIFFERENT STREETS

Our Solution

01 Restaurants post

Donors list surplus food with allergens, storage, photos, and expiry details

02 Drivers collect

Volunteer drivers claim jobs, pick up donations, and track delivery in real time

03 Charities recieve

Charities browse offers, accept food, and confirm delivery for impact tracking

Three roles. One platform. Real-time lifecycle from posted to delivered

Real Impact, Measured

2.5 kg

CO2e saved per kg of food rescued

2.5 meals
